REASONS FOR ALLOWANCE

1. The art of record considered as a whole, either alone or in combination, neither anticipates

nor renders obvious a positioning blade comprising a riser with first positioning-bores, a first side

edge surface, a second side edge surface, and a top edge surface; a clamp mount with a plurality

of second positioning-bores; and a locator arm projecting outwardly from the second side surface

and having a plurality of third position-bores wherein said first positioning-bores comprise a

predetermined positional relationship to said first positioning-bores and said second positioning-

bores in combination with the rest of the claimed limitations.

The above was not shown taught or suggest by the prior art.

Any comments considered necessary by applicant must be submitted no later than the

payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for

Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner

should be directed to Lee Wilson whose telephone number is (703) 305-4094.
